John 6:16-40

Walking on Water

John 6:16-21

6:16-17 – Where did Jesus and His disciples go after the 5,000 were fed?

How should we reconcile the parallel passages of Mark 6:45 where Jesus told the disciples to go to Bethsaida, with Luke 9:10 which said the feeding of the 5,000 was in Bethsaida and John 6:17 where the disciples set off across the lake for Capernium?

Why did the disciples go boating in the dark?

6:18 – What was the Sea of Galilee like this night?

6:19 – What frightened the disciples and why?

What part of the Sea of Galilee were the disciples in when they saw Jesus walking on the water?

6:20 – How did Jesus help calm the fears of the disciples?

6:21 – What happened after the disciples recognized Jesus?

What should we learn from this story that may be applied to our own lives when we are storm-tossed?

Recognizing that the disciples were slow to believe that Jesus could walk on water despite His feeding of the 5,000, what should we do to avoid this same weakness?
