The Way to Heaven

There is only one way to heaven: through a personal relationship with Jesus Christ. Jesus is not just another name for God as secular humanists proclaim. The world holds up Allah, Ra, the Great Spirit, and Mother Earth, etc. as just different names for the God of the Bible. But Jesus said in John 14:6, *"I am the way, the truth, and the life. No one comes to the Father except through me."* The secular humanist acknowledgment of "a supreme being" falls short of what God requires for salvation, *"you believe that there is one God. You do well. Even the demons believe-- and tremble!"* (James 2:19). It is dangerous to write-off a relationship with the living Savior as one of many religious options in the world. Thank God that Jesus Christ made it possible for our sins to be forgiven, *"For whoever calls on the name of the Lord shall be saved"*

(Romans 10:13).
